MESSAGE: Re: Serial No. 09/744,230; filed March 21, 2001; Confirmation No. 3929
"METHOD FOR MANUFACTURING A CARRIER FOR CHEMICAL OR BIOCHEMICAL ASSAYS"
Atty. Doc. No. Pepscan-1(P10171US00)

Further to the Examiner's telephone message and telephone discussion earlier this morning, attached please find the following copies:

1. Copy of postcard receipt date-stamped March 29, 2006 together with a copy of our certified mail receipt showing a USPTO Mail Center received stamp of March 29, 2006;
2. Copy of Express Mail Label E1913824178US;
3. Copy of postcard and check (in the amount of \$905 indicating payment for continuation and extension fees);
4. Copy of Petition for Extension of Time (SN 09/744,230) indicating that a Continuation Fee and Application Transmittal Letter Under 37 C.F.R. § 1.53(b) is also being filed; and
5. First page only of Fee and Application Transmittal Letter (Atty. Doc. Pepscan-1/Con; now Serial No. 11/391,842 as indicated on postcard receipt item 1 above).

By virtue of the filing of the continuation application (SN 11/391,842) the parent application (SN 09/744,230) is now abandoned. We have not supplied a copy of the entire filing so as not to overburden the PTO mail room with duplicate paperwork. As shown above, it is evident that all documents have been received in the USPTO Mail Room and are apparently awaiting entry and scanning into the PTO system and will subsequently be forwarded to the Examiner in due course. We believe the attached documents fully respond to the Examiner's inquiry.

CERTIFICATE OF FACSIMILE TRANSMISSION

I hereby certify that this paper (and any accompanying paper(s)) is being facsimile transmitted to the United States Patent Office on the date shown below.
